## *Into our new addition*

### ADDITION

This year when we returned to the hallowed halls of learning some new ones had been added as our addition had finally become a reality. The addition includes ten classrooms, a cafeteria dining room, and a kitchen. The classrooms on the top floor are especially suited for social studies and English. One has a stage for use by the speech classes. The main floor is fitted for business instructions, typewriters and adding machines dominate it. The main feature of the lower floor is the cafeteria which seats 160.

The open house which was held on Sunday, November 11, drew a grand response from the public. Many students and teachers were on hand to answer questions about the new as well as the old part of our school.

The four cooks, Mrs. Ball, Mrs. Ogden, Mrs. Clark, and Mrs. Fitzer, serve the food in the new cafeteria.

Half-time score of the Homecoming game with Griffith is registered on the new scoreboard.

## *Using our new scoreboards*

### SCOREBOARDS

After many years of silent suffering the football fans of Valparaiso set out on a fund raising campaign for a new scoreboard. With the aid of the newspaper, funds soon began accumulating. Businessmen, alumni, students, and the general public did their part.

The results were so successful that not only was a football scoreboard purchased, but also two basketball scoreboards.

The football scoreboard was installed on the north bank where it is easily visible to all spectators. The old basketball scoreboard in the southwest corner of the gym was replaced and another added in the northeast corner.

This was the biggest high school-community project in recent years and resulted in scoreboards which add to everyone's sport enjoyment.

The new basketball scoreboard was on the east wall of the gym.

# The Excitement Of Homecoming

On September 28, 1956, our annual Homecoming festivities were held. We played Griffith and the final score was 20 to 19 in favor of Griffith. After the game our Homecoming dance began. Finally the moment everyone had been waiting for arrived. At 10:30 the dancing stopped as it was time to begin the processional. The first member of the queens court, Sandra White, walked solemnly down the center of the floor. As she approached the throne, she was met by two members of the football team. Two different senior boys escorted each girl. Next came Peggy Bolles. Following her were Chloe Gott, Jolene Brown, Marilyn George, and lastly Kathy Vietzke. Finally our queen, Judy Huff, came upon the scene carrying a bouquet of red roses. Our co-captains, Dick Waymire and Ben Hummel, escorted her to the royal throne where she was crowned and became V.H.S. Homecoming Queen of 1956-57. The queens dance followed.

Ruth Simon, Art Editor; Nancy Howard, Editor; Mr. Stewart, Sponsor; Ron Kahney, Business Manager.

The 1957 VALENIAN first began to take shape a year ago when the new Editor, Nancy Howard, and her staff were chosen.

During the summer Nancy and Art Editor, Ruth Ann Simon, attended the Indiana University Journalism Institute, which gave them information and training for their jobs.

At the start of the year, the staff immediately set to work on the various tasks assigned to them. Budgeting and recording VALENIAN expenses was the duty of Ron Kahney, Business Manager. The secretarial duties were performed by Chloe Gott, who was assisted by typists Phyllis Fryhoyer and Sandra White.

Jim McGill was responsible for most snap shots appearing throughout the VALENIAN, while Sutton Photo Art took all individual and club pictures.

Ron Hallberg, Sports Editor, had as his writers Lloyd Kittredge and Jim McGill. Copy Editor, Kathy Vietzke, prepared most of the literary contents of Valpo High's '57 yearbook.

The sketches throughout and cover of the VALENIAN are credited to Ruth Ann Simon, Art Editor, and Jolene Brown, Assistant Art Editor.

The Junior Assistants of the staff were; Georgia Nicholas, Judy Rader, Lloyd Kittredge, Susie Bauer, John Duckworth, Augie Ralston, Dale Gott, and Chuck Kriston.

## Headlines and Deadlines

### VALPOST

This year, for the first time, Valparaiso High School's newspaper, the Valpost, was represented at the Indiana High School Journalism Institute held at Indiana University. Representatives were also sent to the Indiana High School Press Association Conference in October at Franklin College. By attending these two conferences, the staff learned many new ideas which enabled them to publish a much better paper.

One of the main accomplishments of the Valpost was the cutting of the advertisement space by 50%. This promoted reader interest by providing more space for news items.

Two social events sponsored by the Valpost were the Hatchet Hop and their annual award banquet held at the close of the year.

## DRAMATICS CLUB

The Footlight Masqueraders is a club whose purpose is to create an interest in the various phases of dramatics. The members put on short, one-act plays before the student body. This year, the plays were presented to the upperclassmen and underclassmen at separate times due to the increased size of the student body. In addition, the members were taught the basic principles of stage directions, application of theatrical make-up, and the fundamentals of stage presence.

The main project of the club was sponsoring the Christmas Formal, one of the highlights of the school year. The members also had the opportunity of attending two Chicago stage productions. To celebrate their successful season, the dramatics club ended the year with a swim and pot-luck.

OFFICERS: Linda Williams, Secretary-Treasurer; Eunice Cole, Vice-President; Linda Davison, Librarian; Mr. Conkling, Sponsor; Barbara Fitzer, President.

### LATIN CLUB

The Latin Club was organized a year ago for the purpose of increasing "the value and knowledge of Latin, and to strengthen its influence on modern life." It is sponsored by the Latin teacher, Miss Craig.

By attending the state convention at Bloomington this year, the members of the Latin Club learned many new ways of making meetings more interesting. The club had four meetings this year on the third Monday of each fourth month. At that time business was transacted and a program was presented.

To promote the interest and understanding of science among all V.H.S. students is the purpose of the Valparaíso High School Science Club.

The activities of the club this year included the showing of movies of various subjects related to science, the visiting of several of the local industries to observe the relationship of science to their work, and the conducting of student experiments and demonstrations. The club also demonstrated for the public the projects made by the Chemistry and Physics students for the Science Project Contest.

On several occasions the Science Club held combined meetings with the Radio and Biology Clubs in order that all could benefit from the exceptional programs that were presented at those times.

## Research For Tomorrow

#### BIOLOGY CLUB

The Valparaíso High School Biology Club was organized in 1956 for the purpose of creating an interest among V.H.S. students in the biological sciences. The club is sponsored by the Biology teachers, Mr. Miller and Mrs. Tabor.

The club held its meetings every other Tuesday at 3:00--the first half of the meeting consisting primarily of business, and the second half consisting of an educational program. These programs usually consisted of a movie or a speaker. When possible the club took a field trip to a local place of interest. One of the more interesting trips taken this year was a guided tour through the Valparaíso University's Biology Annex.

The club's purpose is to learn about teaching and its opportunities, to cultivate the qualities of a good teacher, and to gain student leadership. It is very helpful to those boys and girls who are undecided about their careers.

The club offered its help in many school functions and had discussions, panels, and guest speakers. During the second semester the senior members of the club had the opportunity to apply what they had learned by being cadet teachers in one of our city schools.

### RADIO CLUB

The Valparaiso High School Radio Club was organized a year ago to further interest in radio and to help all members obtain their amateur radio licenses. The club is under the sponsorship of the science teacher, Mr. Williams.

This year the club started theory and code classes to help prepare them for their licenses. An amateur radio station was also established in the physics lab by club members.

### SPEECH-DEBATE CLUB

The Speech-Debate Club was created in 1955 for the purpose of "furthering the interest of public speaking, cultivating good sportsmanship in the competitive spirit, and developing verbal abilities among the student body of V.H.S."

Aside from the educational standpoint, the club gave its members the opportunity to travel to various contests in the state where they could apply their skill and knowledge. At these contests the members scored high in many of the events.

This year the Speech-Debate Club joined the Indiana High School Forensic League which promotes all interscholastic speaking and debating contests.

## Strike up the band

### BAND

The marching Vikings began a successful season by obtaining a participation trophy from the River-view Park Mardi Gras in Chicago. Throughout the football season they performed a number of half-time programs which proved very interesting. At the marching contest, the band received a first division rating, and individual trophies were won by Drum Major Larry Johnson and Majorette Carol Tomczak. At the beginning of the basketball season a Pep Band was formed to back the cheering section.

Besides these activities, the band again entered the solo contest, the State Band Contest, and gave several concerts over the course of the year.

The goal of the year was to acquire new uniforms. For this purpose, the band put on several projects which included a semi-formal dance, a talent show, and a ham dinner.

## With a Song

#### CHOIR

During the 1956-57 season the Valparaiso High School Choir gave many performances. A good many of these were scheduled in order to purchase new robes, which were badly needed. Special appearances were made by the choir before such organizations as the Rotary and Kiwanis Clubs. The choir also displayed their talent by giving concerts throughout the year.

The ensembles played an important part in the year's activities. They were called upon to sing for the student body at religious convocations, to carol for the public schools and the hospital, and to entertain various V.H.S. clubs. They also participated in the State Choir Contest. The ensembles included the Carolers, the Girls Quartette, and the Boys Quartette.

## Is Our Motto

### Y-TEENS

Y-Teens are primarily a service club. Their purpose is "to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

One of the chief functions of the club was to help in the school cafeteria. At Thanksgiving time the annual turn-about Can-Can Dance was held. Each couple brought two cans of food which were given to the Welfare Department. In addition, several Y-Teens made the people at the County Farm happy by giving a birthday party for them. As a

money making project, the Y-Teens sold school letterhead stationery.

Regular meetings were held on every third Monday at which programs were presented. At the Induction Service two foreign exchange students from Siam and Japan spoke about their homelands. To make better Christians and to see how others worship, the Y-Teens attended church as a group. The Y-Teen year was closed with the annual Mother and Daughter Banquet. On this occasion the coming year's officers were announced and an interesting program was presented.

OFFICERS: Mrs. Thiele, Sponsor; Richard Tomlinson, President; Mr. Willman, Sponsor. FIRST ROW: Paul Brown, Vice-President; Marilyn Sievers, Secretary; Richard Justice, Treasurer.

The Student Council has endeavored to handle all the problems presented to it in a democratic and constructive manner.

This past year the Student Council has made progress in the areas of Junior - Senior Prom rules, Student Convocations, and has endorsed a "New Code of Conduct" for high-school students.

Work has commenced on Hall traffic control, Student Activity Calendar, and noon hour problems. These projects will require further attention by councils.

## Builders of character

### HI-Y

The Valparaiso High School Christian organization for boys, the Hi-Y, experienced a rebirth this year by adding to their schedule many more activities which would be a great benefit to all. The new committees which were formed carried out their various duties exceptionally well. One built a new Hi-Y emblem for the gym. Another worked hard to make the annual Father and Son Banquet its usual success by having two special features—the installations of officers and a guest speaker, Chaplain Willard Justice, a former member of the Valparaiso chapter of Hi-Y.

Attending church as a group and holding an Induction Service were two other activities carried out by the club this year. Although being far from new in idea, these were welcomed and appreciated by all members.

During the summer representatives attended the state Hi-Y Officer Training Camp in order to learn how to make improvements in our local club. Representatives also attended the regional meeting held in Michigan City.

Mr. Schenck, who has been the Hi-Y sponsor for a number of years, was ably assisted this year by a new mathematics teacher, Mr. Eiler.

## F.B.L.A.

The Future Business Leaders of America was organized this year under the sponsorship of the commercial teachers, Mr. Johnson and Mr. Rohn. Its purpose is to acquaint all students interested in business with the business world. To achieve this purpose the club offered such programs as a talk by a personnel manager from a local plant and a discussion by a panel of secretaries.

For its main project this year the club sold class sweaters, which were made available to all classes.

## V-CLUB

The V-Club was organized in 1947 for the purpose of promoting a greater interest in athletics in the school and community. It is open to all boys who have received a varsity or a junior varsity letter in any sport.

This year the main projects of the club were selling of schedule pencils and the selling of license plates bearing the name of the school. At the end of the year the V-Club sponsored a dance for the whole student body as another money-raising project.

In the past, the V-Club has organized and led the drive for the purchase of the football and basketball scoreboards and the charging sled used by the football team.

## PEP CLUB

The Pep Club is an organization which was formed for the purpose of supporting the various teams of Valparaiso High School. The main activities carried out by the club this year included the Kick-Off Dance, held after the first football game of the season, the elections of Homecoming Queen and Court, and the pep sessions held before all basketball and football games, and special swimming and track meets. The arrangements performed before every game were: the covering of a basketball or football, the roping off of the pep section, and the making of a huge poster which encouraged the team.

All year the members were kept busy raising money by selling pep hats, V. H. S. fountain pens, and Coca-Cola at home basketball games. The highlight of the Pep Club was the annual Dessert Party which was held at the close of the year. At this occasion awards were presented, the coming year's officers announced, and the outstanding events of the year reviewed.

## Young Grid Squad

Spirit, that quality which makes a team, was an outstanding factor in the 1956 grid squad. The team fought to the finish in all games including those contests against strong Calumet area teams.

Lack of experience, stemming from only five returning lettermen and injuries to ten players during the season, hampered Coach Miller's squad and forced him to use many inexperienced players. These factors, though lowering this year's record, will give Coach Miller something to work with next year. Fifteen lettermen will be on the 1957 team. This will be enough

to fill every position on the team with experienced gridgers plus four trained substitutes.

Those graduating seniors who have donned green and white jerseys for the last time are; Jerry Thomas, Roy Endsley, Dennis Murvihill, Rebel Waymire, Ben Hummel, Joe Masterson, Randy Wickersham, and Bob Ebersold.

This year's team will not be remembered as the team who lost a lot of games, but as the team that fought with all they had, plus some, to the rugged end.

## Set 'em up— put 'em in,

#### BASKETBALL

Climaxing a season of steady improvement by winning the Sectional, the Valparaiso Viking cagers have given the many V.H.S. fans something to be proud of. By winning eight of their last twelve games the 1956-57 Vikings became the second V.H.S. team in eighteen years to win more than twelve games. The overall season record was 13 wins and 11 losses and a well regarded sixth place finish in the Northern Indiana Conference.

Aside from being the only team in N.W. I.H. S.A.A. with five players scoring over 100 points each, the Vikings set a new school record of 86 points in the 86 to 76 defeat of Chesterton in the first Sectional game.

During regular season play, Coach Virgil Sweet's boys downed such teams as LaPorte, Whiting, Gary Lew Wallace, and Hobart while dropping close ones

to several of the conference powers. After the regular season, the Vikes poured on the coal and steamed past three hard fighting determined county teams; Chesterton, Boone Grove, and Kouts; to win the 1957 Sectional Crown and the right to play Gary Roosevelt in the Regional. The Vikings played an outstanding game against Gary Roosevelt, the state's fourth ranked team, finally losing 76 to 61. Roosevelt then won the tourney with an 89 to 65 evening victory over Michigan City.

With five returning lettermen; Dale Gott, Scott Ward, Butch Jones, Augie Ralston, and Burt Endsley; the prospects for the 1957-58 season are very bright. Even so the team will miss the talents of the four graduating lettermen; Mick Siemon, Dick Waymire, Bob Ebersold, and Sonny Tomlinson.

The 1956 track team, under the direction of Coach Ken Pifer, again made the V.H.S. students very proud. These cindermen compiled a record of 4 wins, 2 losses, and 1 tie against very stiff competition.

Seventy-four runners, jumpers, shot putters and vaulters reported for Coach Pifer's squad. These track men, after weeks of practice and hard work, took decisions from such teams as Ham-

mond Clark, Gary Lew Wallace, and Hammond Tech. Also the Pifermen were undefeated for another season in Porter County competition by handing defeat to Chesterton and Portage.

Two Vikings, broad jumper Fred Doelling and shot man Jim Wallace, qualified for the Regional meet held at East Chicago. Also Valparaiso journeyed to the Laporte Invitational where V.H.S. placed fourth in a field of eight.

The 1956 Viking Harriers, despite having a youthful squad consisting mainly of sophomores, did very well for itself. The V.H.S. runners won 5 of 11 dual and triangular meets, placed second in the Hammond sectionals, and participated in the State finals at Indianapolis.

One of the promising sophomores, Scott Ward,

had an outstanding season. Besides winning nine dual and triangular meets and winning the Hammond Sectional, Scott set a new High School record of 10:05 for the two mile Valparaiso University course.

With such a season behind us and eight returning lettermen, Coach Ken Pifer is looking eagerly toward the 1957 and 1958 seasons.

## SWIMMING

This year's swimming team, in compiling a record of eleven wins and five defeats, has recorded the best season since swimming was started at Valparaiso High School in 1954. The Viking aquamen downed such teams as LaPorte, Whiting, Froebel, Lew Wallace, South Bend Washington, and Howe Military Academy while losing only to Hammond, Horace Mann, and South Bend's Riley, Adams, and Central. Also the Vikes placed seventh in the conference held at South Bend, and tenth in the state meet at Lafayette.

While chalking up this imposing record, Coach Jim Trost's swimmers broke school marks in the 100 yard backstroke, the 200 yard freestyle, the 120 yard individual medley, the 240 yard medley relay and the 160 yard freestyle relay.

Twelve swimmers earned varsity letters in the 1956-57 season and nine of them are eligible for the 1957-58 season. Among them are Joe Banks, the teams number one scorer, and Tom Allison, the number two man. The three seniors who have donned green trunks for the last time are Matt Neal, Roger Kyes, and Ross Dye.

## WRESTLING

Entering the ranks of interscholastic sports participated in by Valparaiso High School this year, for the first time, was wrestling. Under the able coaching of Mr. Miller, the V.H.S. freshman, sophomore, and junior matmen received a good start on learning the many skills of wrestling, one of the most exacting of sports, and, although it was a losing season for the wrestlers, the experience gained in the meets with Lowell, Crown Point, LaPorte, and South Bend Washington Clay more than made up for this fact.

Wrestlers who earned awards for the 1956-1957 season are Groves, Varsity letter; Gramhofer, Eldridge, Elcrat, and Hyatte, Junior Varsity letters; R. Biggs, Harper, Daley, Sellers, Campbell, and Arden, Monograms.

## GOLF

The 1956 Valparaiso High School golf team, winners of thirteen out of fourteen meets, were the 1956 Northern Indiana Conference Champions.

After an opening meet loss to Michigan City, the Vikings under Coach Diane went on to conquer Crown Point, three times; Hammond High, twice; Merrillville, twice; Lew Wallace; Hobart; Hammond Clark; Hammond tech; Griffith; and Michigan City.

Following this season the golfers placed sixth in a field of twenty-one at the LaPorte Invitational, and defeated South Bend Riley for the Northern Indiana Conference Championship.

G.A.A. is a club for any girl interested in sports, friendship, and special activities.

This year our G.A.A. joined the state organization. Besides the usual activities, this enabled the members to enjoy many new privileges. They included sending two girls to Leadership Camp, attending Play-Days with other schools, and receiving state awards.

Some of the special activities of our own club were: a Coketail Party to introduce all new members to the club, initiation, a Christmas Party, a swim and pot-luck, a play-day, and the Sadie Hawkins' Dance. The year was climaxed by the annual G.A.A. Banquet, at which awards were presented and a skit was put on by Senior members.

Principal, Mr. Telle, and Vice-Principal, Mr. Willman conferring.

Valparaiso High School Principal, Mr. King Telle, is deeply respected for his fairness and sincere interest in his dealings with the students. He is also admired for his friendliness to all and his keen sense of humor.

Mr. Telle not only shows a genuine interest in the scholastic, social, and athletic activities of our school, but also in each student as an individual.

A graduate of Hanover College and Indiana University, Mr. Telle has done everything in his power to make V.H.S. the fine school it is today.

Since the increased enrollment of V.H.S. has made the duties of principal much too heavy for one man to handle, an assistant principal, Mr. Clyde Willman, has been added to the faculty. Mr. Willman, besides assisting Mr. Telle, acts as attendance officer. Formerly the principal of the junior high, Mr. Willman is known for his friendliness and just sense of discipline.

## *The guiding force*

For the first time this year, Valpo High has employed a full time Guidance Director, Mr. Alfred Henkel. His services include advising not only the students but their parents on the matters of schedule preparation, college information, and vocational selection. Although this program is just in its beginning, Mr. Henkel's efforts have already proved to be extremely valuable to all students.

The Board of Education, composed of three members who have success and leadership in common in their various occupational fields, is the guardian of the welfare and security of the Valparaiso city school system. Its primary concern is the management of school business. In addition, it makes the final decisions on all school problems and policies, and employs all school personnel. The 1956-57 members of the board are O.R. Burns, Treasurer; Reg Hildreth, President; and Jess Claudon, Secretary.

G. Warren Phillips, Superintendent of Valparaiso City Schools, works hand in hand with the Board of Education to carry out its policies. In the last few years, overcrowded schools have created many problems that are being met and overcome capable by Mr. Phillips. This is being accomplished by far-sighted planning that has resulted so far in the acquisition of several new sites and the construction of two elementary schools and the high school addition.

Superintendent Phillips, and the School Board, Reg Hildreth, O.R. Burns, and Jess Claudon.

## behind the scenes

Mrs. Betty Price, secretary to Mr. Telle, efficiently handles the many details that occur in the administration of a high school the size of Valparaiso. Although she has an innumerable list of tasks to complete, she always finds time to help the students with any unexpected problems that might arise.

Working as Mr. Phillip's secretary in the new administration building is Mrs. Grace Rickard. She has an ever-ready smile for all who come in contact with her. Her sweet disposition and cheerful smile make her a very popular person in the city school system.

Acting is a form of expression in any language.

A foreign language required an unusual amount of concentration.

## *The Freshmen*

The very new and inexperienced Freshmen spent an enjoyable year untroubled by responsibilities and burdens.

At the beginning they were bewildered and awe-stricken, but before long they shed their coats of green and became seasoned Valpo Highers.

The Freshmen soon began cheering our teams on to victory, offering new ideas to the various clubs, and willingly volunteering for the many tasks required of them.

In a short time they had successfully mimicked all the fads and customs. Each six weeks they contributed a great number of Honor Roll students.

With all these assets, it wasn't long before the Class of 1960 was taken into the hearts of all the remaining student body.

## *The Sophomores . . .*

The sophomores, having come a long way since their freshman days, took an active part in the various organizations and teams of V.H.S. With their ardent support, many clubs improved considerably. Also, the sophomores were kept busy filling the requirements of our rugged second year schedule.

The class of 1959 managed to produce many fine students and athletes, who should accomplish great things by the time they are seniors. All in all, the Sophomore class lived up to the expectations of the second year in high school exceedingly well.

Juniors pose for old-fashioned picture in Speech Class.

The now experienced and sophisticated Class of 1958 started early in the year, under the skillful leadership of their elected officers, planning and preparing for the annual Junior Prom. With the able assistance of the class sponsors and the committee chairmen, the Juniors organized one of the most outstanding and different spring formals ever put on by V.H.S. Juniors. During the year, a feeling of class unity began to grow within each Junior and reached its peak on the night of the Prom with the start of the Grand March.

The Juniors also held their Speech Banquet, which turned out to be a huge success.

Another contribution to their junior year was the addition of the 1958 class ring.

When spring appeared, the Juniors had become wiser, more adult Valpo Highers ready for the realization of the fond dream--to be Seniors.

## *Seniors, As We Step*

### SENIOR ACTIVITIES

Valparaiso's Senior Class of 1957 owes much credit to the faculty for its success in class activities. Miss McGillicuddy, Mr. Hildreth, and Mr. Williams, as sponsors, were always on hand with advice and moral support. Our Director of Guidance, Mr. Henkel, did his part by counseling with each member of the class in regard to his future plans.

The first order of business was the election of officers. Dick Waymire was elected President and Rich Justice, Vice-President. Two girls were elected to the posts of Secretary and Treasurer; they were Chloe Gott and Sandra White respectively.

The Seniors had barely settled into the routine of school work when they were united in the hustle and hurry of Homecoming arrangements. Blonde, blue-eyed, Judy Huff, as V.H.S. Homecoming Queen for 1956, reigned over the dance. The entire school agreed that she and her court, Sandra White, Chloe Gott, Jolene Brown, Kathy Vietzke, Peggy Bolles, and Marilyn George, were very beautiful in the Queen's Dance.

Joni Prentiss and Charlene Hough took the responsibility of heading the Senior sales. It was the duty of these girls to assign members of the class to sell ice cream and candy at all our home basketball games. Miss McGillicuddy and Mr. Williams were present at all games to assist the great Senior sales force. A part of the profits received from Seniors Sales went to help finance the VALENIAN; the remainder was presented to the school.

The Seniors donned their caps and gowns for the first time at the Baccalaureate service held at the Methodist Church on June 2. This was the only opportunity the Senior's had to worship together as a class.

With commencement on June 6 came not only pride in achievement but also a touch of sadness. Grade school seemed very far behind and soon, high school, too, would be a thing of the past. Then our thoughts turned to college, a job, or the Armed Services. Yes, the Senior Class of 1957, diplomas in hand, was ready to step forward into the future.

For the Seniors, graduation is not only the end of a golden day; it marks the end of four wonderful years. Many will go on to college, while others will become the homemakers and business personnel of our country.

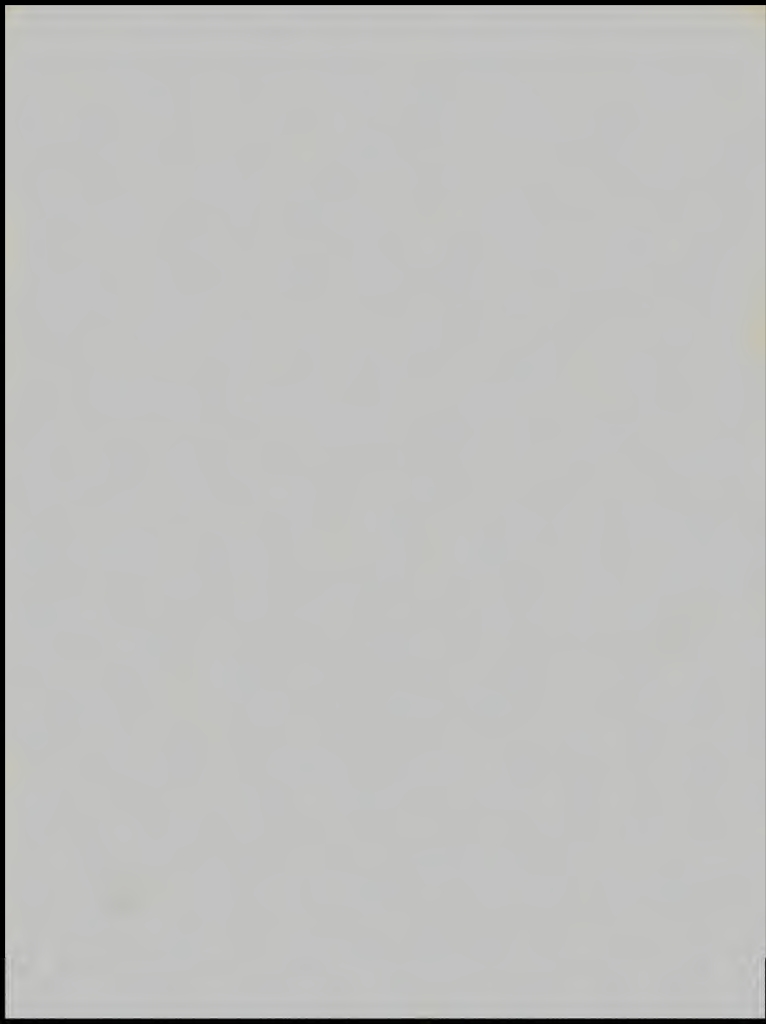

Although high school is over for us, the class of 1957, we will never forget the toil, joys, and sorrows encountered in our wanderings through these halls of learning. This book is our treasure chest of memories. We hope it encloses a few of yours also and that you will treasure it as we do.
